Paul's Aim, Our Vision

Our vision is “To expand the Kingdom of God to the Darkest Places on Earth.” Paul's expression to the Romans is our exact sentiments. I could not have said it better than what Paul said to the Romans. “So, I have made it my aim,” Paul wrote, “to preach the Gospel, not where Christ was named, lest I should build on another man's foundation, but as it is written, ‘to whom He was not acknowledged, they shall see; and those who have not heard shall understand’” Romans 15:20-21. We are taking the Gospel where the name of Jesus is never mentioned, where there is no established church or any believers, and to those who have never acknowledged nor understood who our God is.

Stoke the fire with your prayers, spread the fire with the Bible stories. [More](#)
